Dear Students and Parents,

Welcome to a new school year! To all new and returning students, I hope that your high school experience provides you with a lifetime of wonderful memories and prepares you for an abundance of opportunities in the future. Your time at Covington High School will move quickly, and the work you do here will be immensely impactful. As your principal, I assure that you will have the support and resources needed to be successful academically and socially. Whether you are just starting your high school experience with us, embarking on your senior year, or find yourself somewhere in between, your commitment and dedication is essential to your success.

Covington High School has a rich tradition of community, and, as students and parents, you are members of this proud community. We have many opportunities for all to be involved. The programs that we offer facilitate our students in becoming responsible and independent citizens. **A key to student success and educational growth is parental involvement.** I encourage everyone to become an active part in the Covington High School community. Together we can assure the success of our students.
