Please review this information with your student(s) so that they are aware of the expectations and protocols. If you have questions beyond what is listed here, please contact the school for additional guidance or refer to the St. Tammany Parish School Board website at www.stpsb.org.

St. Tammany Parish Public Schools is dedicated to protecting the health and well-being of our students and staff. This is an extremely fluid situation and this information may change as information becomes available.

General Precautions

- Safety of our students, faculty and staff is of utmost importance to us. All precautions and procedures are in place for the safety of everyone on campus.
- If your child does not feel well in the morning, please do not send to school.
- All back to school information is posted on the Covington High School website via the *Back to School* link.
- *Covington High School Student Handbook* is accessible via *Back to School* link on the CHS website. Please read to become familiar with our policies and procedures.
- Dress code policy is located in the *Covington High School Student Handbook*.
- Masks must be worn at all times with the exception while eating or drinking
- Handwashing is required upon arrival, at least every two hours, before and after eating, after changing of classes, and before exiting to leave school.
- Sanitation stations for handwashing will be located throughout the school to supplement bathroom facilities.
- Hallways will be one-way traffic flow. Signs will be placed around campus to aid in traffic flow patterns. Refer to school map for traffic flow patterns.
- Shared water fountains will be closed. Students are encouraged to bring their own water bottles from home. Water filling stations will be available.

Classroom procedures

- Masks must be worn at all times by students and teachers.
- Social distancing of students is required. Desks will be placed 6 feet apart, to the maximum extent possible.
- High-touch surfaces cleaned between classes.
- Teachers will establish classroom procedures aligned to Louisiana Department of Health and BESE safety protocols guidelines to maximize safety.
