### CLASS OF 2012

Sophomores – Persist in staying active, responsible, and focused. Continue making your high school experience as positive as it can be!

#### FIRST SEMESTER EXAMS/END OF FIRST TERM

The first semester exam schedule has been created. Exams will be given Tuesday, December 15th through Friday, December 18th. This is a very important time for you and I hope you will take every opportunity to be successful on your exams.

The end of the first term is Friday, December 18th. Be proactive on all your first term responsibilities. Make sure all your papers, projects, make-up work, etc. are taken care of before the end of the term. Set yourself up for success the second semester.

#### ACADEMIC CLINIC

Academic Clinic is a great way for you to gain additional help with academics at Covington High School. Certified teachers in all four core areas are available to help you with homework, provide additional explanation for concepts you may find hard to understand, supervise make-up testing, and provide other supplemental areas of academics in addition to that which you already receive in the classroom. Academic Clinic is held in Room 505 in the Math Building. It is available to all students without an appointment. You may attend in the morning on Tuesday – Friday from 6:55 a.m. to 7:24 a.m. and after school

Monday – Thursday from 2:50 p.m. to 4:05 p.m.

#### “STP” FOR PARENTS

Parents, this is a great resource for you to use to keep informed on your student’s progress. If you are not signed up or need information about this resource, please contact our front office.

#### CHS WEBSITE

Currently posted on the website is a wealth of up-to-date information relative to Covington High School, as well as education in general. Topics include faculty contact information, the CHS student handbook, school calendar, and information on academics, athletics, and extracurricular activities and organizations. A site map is listed to make the website user-friendly.

#### CHS GUIDANCE OFFICE

We can answer your questions about graduation requirements, TOPS, Core 4 curriculum, testing, scheduling, and a variety of other topics. Up-to-date information is available on all local two-year and four-year universities, as well as technical schools and the armed forces. Please feel free to contact us with questions.
