

# CHS Senior Paint the Parking Lot 2020-2021

**Senior** CHS student drivers will have the opportunity to rent and paint/personalize a parking space on campus. The parking spaces will be rented for \$25. The parking spots are limited and only seniors will be given an opportunity to rent a parking space. A map of parking spaces will be available and can be selected on a first come, first serve basis. **PARKING FORMS MUST BE COMPLETED AND TURNED IN TO MRS. DOYLE BY SEPTEMBER 18, 2020.** Parking space will be available for purchase from September 14<sup>th</sup> until September 18 in room 504 at lunch ONLY! There will be one day only that the painting will be done. **The paint day will be on September 19, 2020 from 8:00 – 2:00.** A parking space design request form will be included in your packet. The design of your parking space will need to be submitted and approved by a CHS administrator before any painting will be performed. It will be HOT! Come early.

## Guidelines for your Design (Sketch):

Think of your space as a t-shirt you would wear to school. Your parking spot must meet admin approval! Keep it classy! Any design associated with gangs, drugs, alcohol, violence, political affiliation or societal commentary, controversial quotes or hashtags, obscene slogans, inappropriate symbols, or handicap symbols that may cause confusion or promote illegal activities or incite hatred and negative reactions will not be allowed nor approved. You may include your name, jersey number, instruments you play, hobbies, or anything that is unique to you, pending administrative approval.

## Paint Requirements:

**WATER BASED EXTERIOR LATEX** paint is the only type of paint that can be used. Students will also need to leave four-inch unpainted border between the white parking space lines and the paint in their parking spot. You will be required to use blue painters tape to ensure this border is accomplished. You may purchase WATER BASED EXTERIOR LATEX paint at retail stores like Sherwin Williams, Lowes, Home Depot, and Ace Hardware. **Cost and purchase of paint and supplies will be the responsibility of the student. The cost of the paint and supplies will run about \$100 depending on the amount of paint and design you choose.**

## Unapproved Paints:

- \*No oil based paints
- \* No reflective paint
- \*No spray paint
- \*No fluorescent paint
